

ASSOCIATE IN AIRPORT LAW

Kaplan Kirsch & Rockwell (KKR) is a boutique law firm with a national practice devoted exclusively to infrastructure, environmental, land use, real estate development, conservation, energy, and transportation law. The Firm has particularly extensive expertise advising public sector airport clients. We are a collegial and supportive firm devoted to providing the highest quality legal services to our clients, many of whom are governmental entities. The Firm has offices in Denver, Washington, DC, New York City, and Boston.

KKR offers a unique opportunity for a junior or mid-level federal regulatory and litigation associate attorney to join our firm. In this role, you will be a key member of our growing airports practice, which advises clients on development, airport finance, airport operations and contracts, infrastructure construction, environmental matters, and compliance with federal regulatory requirements for airports ranging from the largest in the world to small, general aviation facilities. Litigation relating to this representation is an integral part of KKR's practice, and we regularly litigate in state and federal court trial courts, appellate courts, and regulatory agencies. KKR also provides advice on the procurement of design-build, public-private partnerships (P3/PPP), and transit-oriented development (TOD) projects.

You will be uniquely positioned to have a significant impact from day one while also gaining valuable experience. You will also benefit from working in our Washington, DC, office that, reflecting the Firm's Rocky Mountain roots, seeks to ensure its attorneys and staff enjoy life both within and outside the office.

KKR seeks a motivated and entrepreneurial individual with the following qualifications to fill this role:

- 3-6 years relevant regulatory and litigation experience as an attorney
- Law degree from accredited law school
- Admission to practice within the United States and ability to join the Washington, DC Bar
- Strong drafting and ability to interact well with clients
- A willingness to accept responsibility and provide high quality legal services
- Record of academic achievement
- Location in or relocation to Washington, DC

In addition, KKR will consider positively:

- Civic-minded team players
- Experience with Federal transportation regulations and/or U.S. DOT, FAA, FRA, FTA, FHWA, STB, and Build America Bureau
- Experience in representing airports
- Demonstrated interest (professional or personal) in infrastructure, aviation, urbanism, public policy, and/or related matters
- Entrepreneurial mindset
- Candidates who reflect and share the Firm's values with respect to diversity, mutual respect and collegiality, and uncompromising high-quality work product
